

N3432K

N-Series Professional Displays

- **Ideal solution for professional environments - Customise your content and display in portrait or landscape orientation across one or multiple displays**
- **Intuitive friendly software - Built-in apps enable users to connect, present and collaborate globally, both in-person and remotely**
- **Built-in media player and scheduling functionality - Create, customise and schedule media playlists and display content at a specific date or time**
- **Optimised for conferencing solutions - Compatible with a variety of accessories such as web cameras, Bluetooth speakers, and motorised trolleys**

The N-Series Professional Displays are designed to enhance the current conferencing setups of corporate and education settings to accommodate hybrid work and distance-learning scenarios. Intuitive friendly software enables users to connect, present and collaborate globally, both in-person and remotely. Featuring portrait and landscape orientation, the N-Series are built for usage in corporate lobbies and reception areas, conference rooms, lecture halls, digital signage and other professional environments.
