

Impact™ On-Wall Kiosk - Landscape 55 Inch White **SKU: LW55UW**

The Impact™ On-Wall Kiosk brings new flexibility to the digital signage enclosure market while maintaining a sleek aesthetic to complement a variety of environments. A depth-adjustable exterior frame allows for a variety of displays to be used while meeting minimum protrusion depth requirements. The scissor arm design enables 8" (203mm) of extension providing unparalleled service and maintenance access.

Key Features:

- Scissor arm design enables 8" (203mm) of extension providing unparalleled service and maintenance access
- Depth-adjustable exterior frame supports a wide range of displays while meeting minimum protrusion depth requirements
- Single point engagement latch can be secured with tamperproof hardware
- Integrated wall reveal compensates for uneven walls to keep the frame plumb and provides passive cooling
- Integrated on-wall AV storage options leveraging Middle Atlantic's Lever Lock™ technology
- Large empty center enables use with Chief in-wall PAC boxes
