

Medium Fusion® Dynamic Height Adjustable Floor Support **SKU: MFD1U**

This product has been discontinued. The suggested product replacement is LFE1U.

Ideal for interactive applications, Fusion® mounts with dynamic height adjust capability create better accessibility to technology in the boardroom and the classroom. The height adjustable box provides ultra-smooth and fast vertical travel with almost no effort.

Easy to install. Easy to adjust.

This solution is especially helpful for applications where the wall structure can't carry the weight.

- Height adjustable box allows up to 15.75" (400 mm) of vertical adjustment instantly by manually moving the display up and down by hand
- Starting height can be set at 3" (76 mm) intervals over a span of 15" (381 mm)
- A full line of accessories can be installed with the mount and the entire unit can be adjusted together
- Integrated security flag
