
MPWUB, Medium Flat Panel Swing Arm Wall Display Mount - 8 Inch Extension SKU: MPWUB

The MPW swing arm wall display mount provides ultra smooth extension for flat panel displays and monitors, and remains low profile in the home position.

- Smooth extension up to 8.75" (222 mm) to achieve ideal viewing angle
- Ultra low-profile in the home position, only 1.5" (38 mm) deep
- Provides up to 45° of swivel in either direction (depending on screen size)
- Lockable in home position to prevent articulation (pin included)
- Installs on 16" center studs
- Integrated lateral shift allows repositioning of the mount right or left after installation for ultimate positioning flexibility
- Screen can be installed in portrait or landscape orientation (MAC400 accessory can be used to rotate without removing the screen)
- Depth and Extension do not include interface bracket (adds 0.5 - 1.5")
