

Medium Fusion® Dynamic Height Adjustable Wall Mount **SKU: MSD1U**

Ideal for interactive applications, Fusion® mounts with dynamic height adjust capability create better accessibility to technology in the boardroom and the classroom. The height adjustable solution provides ultra-smooth and fast vertical travel with almost no effort. Ships fully assembled with the LSM1U mount to make this a complete aesthetic solution.

Easy to install. Easy to adjust.

- Height adjustable box allows up to 15.75" (400 mm) of vertical adjustment instantly by manually moving the display up and down by hand
- Set screws keep the mount rigid, stable and secure throughout the life of the installation
- Built in cable stand provides easy access under the screen
- A full line of accessories can be installed with the mount and the entire unit can be adjusted together
- Spring system tested to 60,000 cycles and 10 years of use
- Integrated security flag
