

Stretched Display Wall Mount **SKU: PSMH2860**

This low-profile solution provides a unique approach to retail, transportation or hospitality installations.

The PSMH2860 accommodates unique 600 x 200 VESA® patterns, providing easy installation and rigid support to keep the display stable for optimal experience.

A ceiling mounted solution can be created by combining the LCM2X1U and FCASFP. Call us for more information.

- Lockable latch for added padlock security
- Support portrait and landscape orientation
- Single-stud mounting in landscape and portrait orientation; dual-stud in landscape only
