

Mini Universal RPA Projector Mount-RSAU **SKU: RSAU**

The RSAU features a universal interface that offers a compact design for smaller projectors with all the same great features as the standard RPA Series.

- Compact design is smaller than the RPA by 1/3 and includes the same great features
- Independent roll, pitch and yaw for quick and precise projector registration
- Quick connect/disconnect with convenient lamp and filter access on most projectors
- Disconnecting maintains registration and doesn't affect preset adjustments
- All-Points Security steel-into-steel locking hardware at all connection points protects against theft
- Multiple installation options including: flush mount to ceiling, use 0.25" threaded rods, or use a 1.5" NPT column

Specifications
