

Extra-Large Electric Height Adjust Cart, European Union **SKU: XPD1U-EU**

Ideal for interactive applications, mounts with electric height adjust capability create better accessibility to technology in the boardroom and the classroom. The height adjustable solution provides 26" (660 mm) of vertical lift.

Easy to install. Easy to adjust.

- Anti-collision sensor immediately halts, then reverses motion of display upon encountering an obstruction to avoid pinching fingers or damaging technology
- Control pad included. Optional accessories sold separately; Remote Control Kit PACREM (includes remote and Bluetooth™ dongle) or choose Bluetooth Dongle PACBLU to access phone app
- A full line of accessories can be installed with mount, including shelves, padlock and speaker adapters
