

Extra-Large Fusion® Video Conferencing Cart **SKU: XVAUB**

This mobile Fusion® AV Cart incorporates rounded edges and sleek features to give the cart a softer professional feel that fits well in corporate and classroom environments. The height can be adjusted by one person via a 1/2" hex bit on a power drill without removing the screen.

Features:

- Sleek, two-toned look suitable for multiple environments including education, corporate and digital signage
- Turn knob allows single user to easily adjust the screen height using a 1/2" hex drill bit to any height between 41.9 to 50.4" (106.4 to 128.0 cm)
- Internal storage rack mountable (pre-installed rack rail) and non-rack mountable AV components
- Includes hardware to vertically mount 11 RUs of AV gear (inside dimension H x W x D: 24 x 19 x 15" (60.9 x 48.2 x 38.1 cm))
- Removable side, rear and front panels for easy component access and cable routing
- Reversible front door with smoked glass for access to IR controlled components.
- Includes hooks in back for cable bundling during transport
- Includes 14" wide above component shelf (FCA501)
- For dual display applications add the Dual-Display accessory - FCA624B
- Ships fully assembled, on a pallet, with heavy-duty casters (front two casters are lockable)
